**Respected Doctor,**

This is non invasive ayurvedic external therapy system designed to enhance **Bahya Chikitsa** and Improves results in Chronic Skin and Hair Disorders

With Changing life Style, Diet, Stress and Environmental exposures, Twak (Skin) and Kesya (Hair) diseases are becoming increasingly Chronic ,Recurrent and Resistant to medicine .

Classical Ayurveda has always emphasized that **Bahya chikitsa** (External therapy) plays a crucial role along with **Shaman and Shodhan Chikitsa** for achieving Stable and Long term results

Keeping this principle in the mind, we have developed a unique Ayurveda based Skin and Hair Care system designed as a non invasive supportive external treatment modality along with Core Ayurveda Fundamental

## ACTION

*This Ayurvedic Skin and Hair care therapy system bridges traditional Ayurveda wisdom with modern extension of Bahya Chikitsa, helping Ayurveda doctors to deliver better, faster and more constant results while maintaining the purity and ethics of Ayurveda. It adds a modern clinical edge to Ayurvedic Practice*

*This system is not replacement of Classical Ayurveda treatment but it's a supportive external therapy. This System works on*

- 1.Dosha Shaman**
- 2.Panchamahabhut**
- 3.Srotoshodhan**  
( Cleansing micro channels )
- 4.Amapachan ( Local )**
- 5.Rasa- Rakt Samhanan**
- 6.Twak – Keshya Poshan**

*This system is designed to prepare the local tissue, so that Internal medicine works better*

## INDICATION
